PREFACE

This publication provides financial data on the operations of the 49 public school districts in Wyoming during the 1985-86 school year (July 1, 1985 to June 30, 1986). Most of the information was obtained from the annual reports submitted to the Department of Education by each district.

The state summary statistics given on pages 1 through 14 include only General Fund revenues and expenditures. The individual district reports beginning on page 15 also include amounts reported for food service funds and for categorical federal grants. Trust funds, debt service, capital construction and student activity funds are not reported in this publication.

On the individual district reports, some discrepancies appear between ADM figures being larger than enrollment and students transported being larger than enrollment. The numbers shown are as reported by the districts.

Percents may not add to 100.0 due to rounding of numbers. This applies to regular figures also.

Other information which is collected but not published can be obtained from Data Collection, State Department of Education, Hathaway Building, Cheyenne, Wyoming, 82002-0050, or call 777-6270/777-7623.

April, 1987

Lynn Simons, State Superintendent of Public Instruction
